

General Requirements for Organizers

- Rodeos that last more than 24 hours must appoint a licensed veterinarian to inspect all livestock daily.
- Obtain, review and keep all records listed below for 5 years and make available to the department for inspection and copying upon request.

Timed Events

Horses:

- The participant's name and full address
- Certificate of Veterinary Inspection (CVI)
- Proof of a negative current calendar year EIA test (for equines)
⇒ If date of current calendar year test and negative result is included on the CVI, a copy of EIA test is not required.

WI Horses: Require proof of a negative current calendar year EIA test. No CVI required.

MN Horses are exempt from CVI requirement if:

- animal ownership does not change while in WI
- the animal is in WI for no more than 7 days
- proof of a negative current calendar year EIA test accompanies the horse

Side Shows

Dogs*:

- Owner's name and full address
- Copy of CVI documenting official animal ID and required tests and certifications and Import Permit, if required
- proof of rabies vaccination for dogs 5 months and older
- CVI for out of state dogs that lists the age of the dog and date of the last rabies vaccination and revaccination due date for dogs 5 months and older.

* responsibility of the organizer only if the dog is part of the rodeo

Livestock Show

Cattle:

- The stock contractor's name and full address
- Official ID on all, including steers
- A copy of their CVI that includes: official id, report of any negative brucellosis test and tuberculosis test, import permit number – if required.
- Copy of import permit, if required

WI Cattle: No requirements for tests or health documents (CVI).

Sheep (Mutton Busting)/Pigs:

- A copy of the CVI documenting official individual ID and required tests
- CVIs for the pigs must include a statement that the herd of origin was inspected on the farm within 30 days before the rodeo and showed no signs of disease.
- Copy of the import permit, if required

WI Sheep: Require official ID unless the animal is less than 12 months of age and neutered.

For import permit information, call 608-224-4874.
